

*Congratulations!*

**2020 Scholarship Recipient**

## Hannah Emerson

---

My name is Hannah Emerson and I just graduated from Saint Joseph High School in Lakewood, California. This fall I will be attending Chapman University in Orange, California to pursue a degree in Mathematics. Throughout my time in high school, I became involved in a variety of activities, including: Art Club, Jester Homegirls, Math Honors Society, English Honors Society, National Honors Society, and the California Scholarship Federation. I was also involved in doing service outside of school with Palos Verdes Resale, the Saturday Street Ministry to the Homeless with St. Lawrence Martyr Church, and was a tutor at St. Dominic Savio. At St. John Fisher Church I also served as an altar server and a Eucharistic Minister.
